Education

B.S. in Petroleum Engineering — **The University of Texas at Austin** — **3.56 GPA** — **08/13 - 05/17**

- Minor in Geology
- Peer Tutor for Engineering Mechanics Courses — 01/15 - 05/16
- Shell Oil Drilling and Production Camp — 03/15
- SPE, AADE, and Pi Epsilon Tau (a petroleum engineering honor's fraternity)

CFA Charter — **Chartered Financial Analyst (CFA) Institute** — **Current**

- Graduate-level curriculum covering investment management and the CFA Code of Ethics
- Pass ratings on level I-III exams and four years of finance experience — 01/07 - 12/10

B.S. Degrees — **Louisiana Tech University** — **3.65 GPA** — **08/02 - 8/06**

- Finance — 4.00 GPA
- Professional Aviation

Work Experience

Reservoir Engineering Intern — **Citation Oil and Gas Corp** — **Houston, Texas** — **05/16 - 08/16**

- Proposed the initiation of a pilot waterflood
  - Identified several development options to best exploit a field in Oklahoma as dictated by the field's complex structural geology
  - Conducted NPV sensitivity analysis in PHDWin based upon injection rate, increase in incremental rate, and oil price
  - Presented the optimal development plan to the Capital Allocation Committee

Reservoir Engineering Intern — **Crimson Energy Partners IV** — **Fort Worth, Texas** — **06/15 - 08/15**

- Contributed to the analysis of acquisition targets by the use of decline curve analysis, type declines, NPV, price sensitivity, statistics, and mapping of EURs.
  - Built type declines in PHDWin but also with greater accuracy in Excel using daily production data
  - Contributed to an investment decision by reviewing an investment bank's pitch book, altering associated data, and presenting the altered data
- $900 million of PDP evaluations on E&Ps with below average credit ratings
  Ranked and graphically presented the well-by-well concentrations of each E&P's total NPV

Credit Analyst / Portfolio Manager — **Southwest Securities, FSB** — **Dallas, Texas** — **01/08 - 08/13**

- Real Estate Credit Analyst — 09/12 - 08/13
  - Valued income-producing real estate collateral
  - Created credit packages for new loans ($1-5 million per loan) and renewals
  - Annually reviewed existing loans
- Portfolio Manager — 07/11 - 09/12
  - Responsible for credit standards on a $200 million loan portfolio
  - Reviewed junior analyst credit presentations
- Promoted from Credit Analyst to Underwriter to Dallas Region Portfolio Manager
- Developed the bank's template for analysis on commercial real estate

Skills and Interests

- Advanced Microsoft Excel (index/match, lookups, arrays, if statements)
- Running and Triathlon training/racing
