## **The Current Environment**

- 1) Shorter cycle projects driven by shale have resulted in faster paced, more volatile energy markets
- 2) Companies must be able to react quickly to shifts in demand, new opportunities, amidst growing risk management needs

OUR MISSION

RigUp is an **oil & gas marketplace** that connects service providers with operators for efficient and safe operations

# An easier way to work in oil and gas

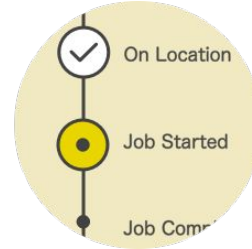

**Find Any Vendor**

**Work With Any Vendor**

**Get The Job Done**

**Hassle Free Payment**

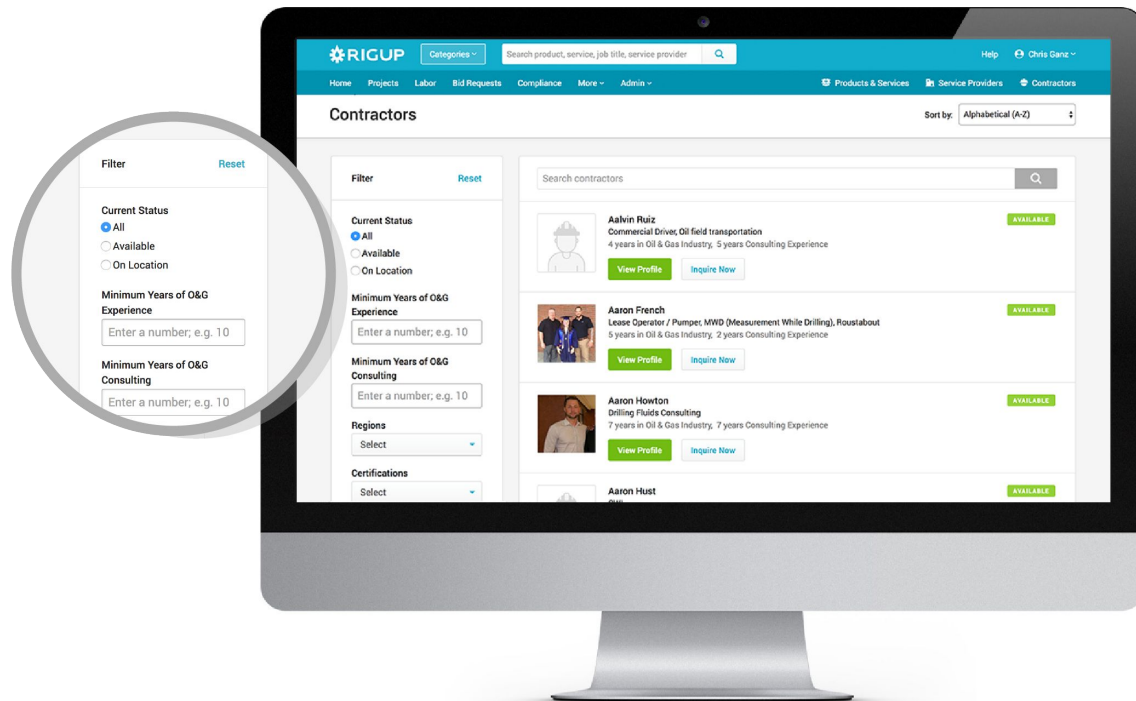

# Workforce on Demand Network

Search from the largest network of qualified oil & gas independent contractors

**Search and filter** by desired experience and certifications to find the perfect candidate.

**Contractor information** such as services, work experience and certifications are available for immediate access.

**Send inquiries** to negotiate rates and hire contractors directly through the platform.

# RigUp in the News

“Smaller development teams needed to cut costs and turned to software, like that from RigUp, to cut the man-hours required to get a project under way.”

THE WALL STREET JOURNAL

“Silicon Valley’s hot new investment: Oil & Gas”

Bloomberg

“Oil and gas tech startup completes huge round of funding”

AUSTIN  
BUSINESS JOURNAL

“The most exciting example of disruptive procurement models we have encountered is RigUp.”

REDBURN

# RigUp's Timeline
